

KAPA HyperPrep with Ribo-Erase Prices

Samples must be submitted in sets of 8, due to how the reagents are consumed. You may submit less, but would still be billed for the full set as seen in the chart below. The prices below are for Harvard Investigators, paying with an Internal 33-digit code. Prices will vary slightly for External submissions.

Please email nextgen@genome.med.harvard.edu with any questions. Thanks!

Number of Samples	8	16	24	32	40	48	56	64	72	80	88	96
